DEVELOPMENT CENTER

Developing People with Autism's Uniqabilities

FEATURING: ARTISTAS ACADEMY

A Twelve Month Program focused on developing a person with Autism's **Uniqabilities** and **Independence**, allowing them to successfully transition to employment.

Artistas Café will provide Barista training to students, allowing them to transition to jobs in Café type establishments, fast food restaurants, and numerous other customer service type jobs.

Artistas Gallery & Unique Gifts will sell artwork and other unique gift items created by people with autism. Art, music, dance therapy and instruction will also be offered as part of the Gallery.

Artistas Culinary will provide training to students, allowing them to acquire a variety of skills so they can transition to jobs in restaurants, catering, hospitality, and other food and customer service type jobs.

Artistas Academy will provide job, social, communication, financial, and self-care skills to students allowing them to transition into jobs matching their interests and unique abilities.

Artistas Fulfillment will provide training to students to help them acquire the skills necessary to work in a variety of roles in Fulfillment Centers and other production-type jobs.

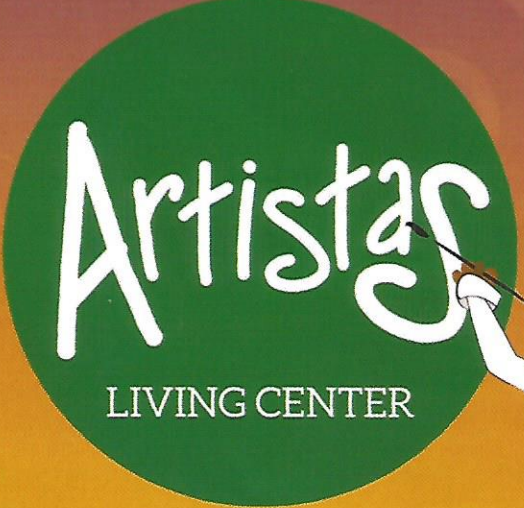

Artistas Medical Center will provide traditional and natural and holistic treatment to students so they can achieve an optimal state of physical, mental, and spiritual well-being. Training will also be provided to students interested in the medical services field.

Artistas Living Center will provide independent living skills training to students. Training will help participants transition from dependent towards greater independence.
